V. Membership terms and conditions

1. Membership

Membership of the American Society for Occupational Safety and Health is granted to the person, or to the organisation, named in the application. It cannot be transferred or shared.

2. Truthful information

The applicant confirms that the statements and documents supplied are true and complete and will tell ASOSH of any change within 30 days. Membership obtained on false information is refused or cancelled without refund.

3. Professional conduct

Members put the safety and health of people first: they report hazards honestly, work within their competence, respect the law and the standards that apply to their work, and never use the ASOSH name or their membership number to endorse a product, a workplace or a service.

4. Grades

The grade is decided by ASOSH on the evidence supplied (qualifications, experience, role). ASOSH may offer a different grade from the one applied for.

5. Fees and term

Membership runs for the period paid for, from the day it is activated. Fees are payable in advance and are not refundable once the membership certificate has been issued. A membership that is not renewed by its last day lapses.

6. Certificate and verification

The membership certificate remains the property of ASOSH. Anyone can check its validity on the ASOSH verification page, where the member name, country, membership number and validity are shown.

7. Suspension and cancellation

ASOSH may suspend or cancel a membership for breach of these terms or for conduct that endangers people. The member may reply in writing within 14 days of the notice.

8. Personal data

ASOSH keeps the information of this application to assess it, to manage the membership and to contact the member. It is not sold or passed on for marketing.

VI. Declaration and signature

I declare that the information in this form and in the enclosed documents is true and complete, that I have read the membership terms and conditions printed in this form and that I accept them. I understand that false information may lead to the refusal or the cancellation of the membership.
